1st April 2021

Dear parent/carer

It has come to my attention that a number of pupils have been bringing sweets, energy drinks and other fizzy drinks into school. This has been causing problems with behaviour as the rule is that pupils should not be bringing these items in. Most pupils abide by this rule but are understandably frustrated when they see their friends doing just this.

Energy drinks are not appropriate for pupils to be drinking in school – the high caffeine and sugar content can have an adverse and disruptive affect on behaviour and learning.

From 19th April, when we return after the Easter holidays sweets, fizzy drinks and energy drinks will not be allowed in school and will be confiscated. I trust you will support us with this by reminding your children and not allowing them to bring these items into school in future.

I wish you all a happy Easter and look forward to welcome all of the children back after the break.

Your sincerely

Andrew Morgan

Principal
